Effective Date: July 18, 1990.

Chapter 572 - Physician Fees for Medicare Patients  
[Assembly 3500-A by Assemblyman Harenberg, et al., at  
the request of the Governor]

Prohibits, effective January 1, 1991, a physician from charging any Medicare beneficiary a fee in excess of 115% of the amount the Medicare Program determines to be the reasonable charge for the service and not in excess of 110% of such reasonable charge beginning in 1993. However, if the Statewide percentage of Medicare Part B claims billed at or below the reasonable charge amount do not increase by at least five percent over such billings for 1989 in federal fiscal year 1992, or any subsequent year, a physician would be prohibited from charging in excess of 105% of such reasonable charge beginning January 1, 1993. Provides for a penalty for any physician charging in excess of the reasonable amount. Such penalty would include a fine of not less than \$500 or three times the excess charge for the first violation and a minimum of \$1000 for each subsequent violation. Additionally, the physician overcharging a Medicare beneficiary would be required to refund the amount of the overcharge to the beneficiary.

Statutes Involved:

Public Health Law  
Section 19, added

Effective Date: July 18, 1990.

Chapter 651 - Medical Assistance for Children in  
Families with Income at or Below 133 Percent  
of the Federal Poverty Level; Disabled and Working Individuals

[Assembly 10268 by the Committee on Rules, at the  
request of Assemblywoman Jacobs, et al.,  
at the request of the Governor]

Provides Medical Assistance (MA) coverage to children at least one year of age but younger than six years of age whose family income is less than or equal to 133% of the poverty level, as defined and annually revised by the federal Office of Management and Budget and authorizes the MA program to pay the cost of Medicare premiums, co-insurance, and deductibles for persons who meet the federal definition of qualified disabled and working individuals.

Statutes Involved:

Social Services Law  
Section 366, subd. 4, para. (p) added  
Section 367-a, subd. 3, para. (a), amended  
Section 367-a, subd. 3, para. (c) added

Effective Date: October 1, 1990.

Chapter 765 - Hospital and Nursing Home Bonds

[Assembly 11944 by Committee on Rules, at the  
request of Assemblyman Gottfried, at the  
request of the Governor]

Increases from \$5.5 billion to \$6 billion the amount of hospital and nursing home bonds which can be issued by the Medical Care Facilities Finance Agency.

Statutes Involved:

L. 1973. C. 392, section 1, section 7, subd. 1, para. (b), amended

Effective Date: July 22, 1990.

Chapter 795 - Hospital Emergency Room  
Demonstration Project

[Senate 7763 by Senator Rolison, at the request of  
the Department of Social Services]

Authorizes the Department of Social Services to establish 17 rather than 15 hospital emergency room demonstration programs within the State; removes the limit on the number of New York City hospitals allowed to operate such programs; and removes the limit on the number of programs permitted to be conducted in a city social services district.

Statutes Involved:

Social Services Law  
Section 364-k, subd. 1, amended

Effective Date: July 25, 1990.

Chapter 851 - Expanded In-Home Services for  
the Elderly Program

[Assembly 10555 by Assemblyman Lester, at the  
request of the Governor]

Increases funding for the expanded In-Home Services for the Elderly Program (EISEP). The EISEP provides non-medical services at home to functionally impaired persons 60 years of age or older who are not eligible for medical assistance. Services are free to persons whose incomes are at or below 150% of the federal poverty line; others pay according to a sliding scale.

Statutes Involved:

Executive Law  
Section 541, subd. 4, para. (j), amended

Effective Date: January 1, 1991.

Chapter 855 - Increase of Personal Needs Allowance

[Assembly 10699 by Assemblywoman Connelly, et al., at  
the request of the Office of Mental Health]

Increases the amounts paid to, and allowed to be retained by, residents of certain State-operated or State-licensed facilities for their personal needs.

Increases from \$30.00 to \$35.00 the maximum amount of the monthly State payment which is made available to meet the personal needs of indigent patients who are not receiving federal Supplemental Security Income (SSI) benefits and who reside in State-operated psychiatric facilities and State-operated alcoholism facilities. The \$35.00 equals the monthly cash benefit provided under the SSI program to indigent, institutionalized recipients.

Increases from \$33.50 to \$35.00 the amount of monthly income allowed to be retained as personal needs allowance (PNA) by institutionalized medical assistance recipients who are not receiving SSI or additional State payments and who reside in hospitals operated by the Office of Mental Health or intermediate care facilities operated or licensed by the Office of Mental Retardation and Developmental Disabilities. The \$35.00 equals the monthly PNA allowed for institutionalized MA recipients who reside in such hospitals and ICFs, and who are in receipt of SSI or additional State payments.

Statutes Involved:

Mental Hygiene Law

Section 33.08, subds. (b) and (c), para. 3, amended

Social Services Law

Section 366, subd. 2, para. (a), subpara. 10, clause (ii), amended

Effective Date:

May 1, 1990, except the provisions relating to the PNA became effective January 1, 1991.

Chapter 879 - Surveys of Nursing Homes and Nurse

Aide Competency Evaluation Programs

[Assembly 12084 by the Committee on Rules, at  
the request of Assemblyman Gottfried]

Makes technical and conforming changes to the Public Health Law (PHL) required by recent changes in federal law. Permits a maximum period of 15 months between unannounced comprehensive nursing facility inspections. Provides that findings of physical abuse, mistreatment, neglect or misappropriation of residents' property committed by unlicensed persons no longer would be required to be reported to the nurse aide registry. Permits the State, if required by federal law or regulations, to reimburse nursing facilities for the cost of evaluating nurse aides on a basis other than inclusion of the anticipated cost of such evaluation in the facilities' per diem rates.

Statutes Involved:

Public Health Law

Section 2803, subd. 1, paras. (b) and (c), amended

Section 2803-j, subd. 3, para. (d), amended

Section 2803-j, subd. 4, amended

Effective Date: July 1, 1990.

Chapter 884 - Bad Debt and Charity Care Allowances  
for Diagnostic and Treatment Centers and  
Certified Home Care Agencies

[Assembly 12132 by the Committee on Rules at the  
request of Assemblyman Gottfried]

Increases medical assistance reimbursement to diagnostic and treatment centers and certified home health agencies that have incurred financial losses from disproportionate shares of bad debt and charity care.

Statutes Involved:

Public Health Law

Section 2807, subd. 2, para. (f), added

Section 2807-b, amended

Section 3614, subd. 5, added

Section 3615, amended

Effective Date: July 25, 1990.

Chapter 891 - Home Care Volunteer Program for  
Maternal and Child Health

[Senate 7337 by Senator Tully, et al.]

Increases the Commissioner of Health's authority to make grants to certified public and voluntary non-profit home health agencies to enable these agencies to develop two new programs: "home care volunteer programs for maternal and child health", and programs to improve home care patients' access to primary health services.

Statutes Involved:

Public Health Law

Section 3607, subd. 1, amended

Section 3607, subs. 2 through 8, renumbered subs. 3 through 9,  
new subd. 2, added

Effective Date: July 30, 1990

Chapter 922 and 923 - Health care Programs in the State

[Assembly 12143 and Assembly 12164 by the Committee on  
Rules, at the Request of Assemblyman Gottfried, et al.]

Continues for the period January 1, 1991 through December 31, 1993, the basic methodology employed by government agencies for reimbursement of general hospital in-patient services and the financing of bad debt and charity care; provides financial relief to hospitals; encourages the expanded and improved delivery of primary care services; repeals the in-patient catastrophic illness program under the Medical Assistance program; extends the effective date of the regional pilot projects for the uninsured and provides health insurance for low-income children under the age of 13.

Chapter 938 - Reduction of Health Care Costs in the State  
[Senate 9190 by the Committee on Rules]

Authorizes the Department of Social Services (Department) to implement a system of utilization controls for persons over 21 years of age eligible for Medical Assistance (MA) solely as a result of their eligibility for Home Relief; limits updates to drug costs to twice a year, April and October, rather than monthly; requires MA providers to submit all MA claims within two years; amends the nature and amount of the permitted deductions from income of an MA household to qualify for MA and permits the Department to define household size in accordance with federal regulations; precludes the Department from exempting any other income or resources from consideration, except as permitted by federal law; requires disproportionate share payments to general hospitals, required by federal regulation, to be considered MA

payments; imposes a .6 percent assessment on MA providers who provide personal care services, the assessment to be paid to the Commissioner of Health who is responsible for administering the funds and making payments to the general fund; and requires that the social services district where a public general hospital is located is responsible for the low income patient adjustments to hospital rates and that the federal share of the MA costs associated with this component of the rate is the only payment by the State for this cost.

Chapter 750 - Registration of Day Care

[Assembly 972-B by Assemblyman Vann, et al., at  
the request of the Governor]

Establishes a system of registration of family day care homes, which would shift the focus of the State's involvement from enforcement to support of such day care. This should encourage an increase in the supply of legal family day care and an improvement in the quality of such care. Retains existing limitations on the ability of local municipalities to restrict group family day care and would clarify those limitations and apply them to family day care homes.

Chapter 854 - Unnecessary Separation of Children  
[Assembly 10687-B by Assemblyman Vann, et al.]

Attempts to avoid unnecessary separation of children from their siblings and half-siblings when such children are placed into foster care.

Establishes in law that placement of a child with the child's siblings or half-siblings in the same foster home or foster care facility is in the child's best interest unless the placement would be contrary to the child's health, safety or welfare. Establishes the same presumption concerning visitation and communication between the child and the child's siblings or half-siblings unless such visitation and communication would be contrary to the child's health, safety or welfare or lack of geographic proximity prevents or precludes visitation.

Chapter 829 - Elderly Pharmaceutical Insurance  
Coverage Program (EPIC)

[Assembly 7337-B by Assemblyman Harenberg, et. al.,  
at the request of the Governor]

Simplifies and revises the structure of the EPIC. The permissible income levels for program eligibility would be increased for the first time since enactment of the program in 1986. Additionally, fees would be replaced by a one-time \$10 application fee. Further, the point of sale co-payment schedule would be replaced by a simplified two element co-payment structure - \$6.00 for each purchase of a covered drug costing \$29.99 or less and \$15.00 for each purchase of a covered drug costing \$30.00 or more. For those elderly persons who incur substantial personal drug expenditures which are not reimbursed by any other third party payment source, the existing, complex deductible schedule would be replaced by a single \$150.00 deductible amount. After an eligible person satisfied the deductible amount, the EPIC program would participate in the cost of covered drugs purchased by that person for the remainder of the annual coverage period. Co-payment amounts also would be subject to adjustment by the EPIC panel, a policy-making body established under Section 547-d of the Executive Law, to reflect increases in average wholesale prices or the prescription drug component of the consumer price index, as well as the relative financial capacity of the State. The expiration date for the program would be extended from September 30, 1992 to September 30, 1996.

Statutes Involved:

Executive Law
