Re: Title XX Child Care funds

Dear Subsidy Unit,

The Chenango County Department of Social Service would like to amend the Child Care Subsidy portion of the CFSP effective 8/1/22. Chenango County only uses Title XX funds for protective and preventive cases and would therefore like to eliminate all three checked boxes under P number 2. We would also like to eliminate the Financial Eligibility limits in section P.

Please feel free to contact us with any additional questions.

Best,

Daniel Auwarter
Commissioner
