

Attachment B

April 1, 2018–March 31, 2023 New York City Plan—2019 Annual Update

Appendix K: Child Care Administration

3. Does your district have a contract or formal agreement with another organization to perform any of the following functions using the NYSCCBG?

Function	Organization	Amount of Contract
-----------------	---------------------	---------------------------

f. Other:	NYC Department of Education	
-----------	-----------------------------	--

(1) For the contract management and quality monitoring of child care services to assure compliance with contractual and regulatory requirements relating to process quality and structural quality, including environment, curriculum, student assessment and program assessment, professional development, family engagement, comprehensive services, staff qualifications, class size and leadership, and administration; (2) for determinations regarding program quality and program improvement; (3) for the recruitment of eligible children whose families seek to participate in such services; and for obtaining, transmitting to ACS, and maintaining required eligibility documentation and data necessary for claiming and audits.
