APPENDIX M #1

Reasonable Distance, Recertification Period, Family Share, Very Low Income,
Federal and Local Priorities (Required)**I. Reasonable Distance**

Define “reasonable distance” based on community standards for determining accessible child care.

1. The following defines “reasonable distance”:

One hour travel time - one way. Additional travel time may be authorized at the sole discretion of the Department based on verifiable supporting documentation provided by the client (per 16-OCFS-LCM-19).

2. Describe any steps/consultations made to arrive at your definition:

Consultation with employment staff who have years of experience with the issue of travel time.

II. Recertification Period

The district’s recertification period for low income child care cases is every (select one):

III. Family Share

“Family Share” is the weekly amount paid towards the costs of the child care services by the child’s parent or caretaker. Your district must select a family share percentage from 10% to 35% to use in calculating the amount of family share. The weekly family share of child care costs is calculated by applying the family share percentage against the amount of the family’s annual gross income that is in excess of the State Income Standard divided by 52.

Family Share Percentage selected by the district 20%.

Note: *The family share percentage selected here must match the percentage entered in the Program Matrix in the Welfare Management System (WMS).*

IV. Very Low Income

Define “very low income” as it is used in determining priorities for child care benefits.

“Very Low Income” is defined as 125% of the State Income Standard.

V. Federal and Local Priorities

1. The district must rank the federally mandated priorities. Cases that are ranked 1 have the highest priority for receiving child care assistance. These rankings apply to case closings and case openings.

a. Very low income as defined in Section IV: Rank 1 Rank 2 Rank 3

b. Families with incomes up to 200% of the State Income Standard that have a child with special needs and a need for child care: Rank 1 Rank 2 Rank 3

c. Families with incomes up to 200% of the State Income Standard that are experiencing homelessness: Rank 1 Rank 2 Rank 3

SUFFOLK COUNTY – 2017 APU

APPENDIX M #2

Case Openings, Case Closings, and Waiting List (Required)

I. Case Openings When Funds Are Limited

If a social services district does not have sufficient funds to provide child care services to all families who are applying, the district may decide to open certain categories of families as funds become available. The district must open federal priorities first. If the district identified local priorities, they must be opened next. **After the federal and local priorities**, identify the basis upon which the district will open cases if funds become available. Check only **ONE** of the options listed below and describe the process for opening.

1. Open based on **FIRST COME, FIRST SERVED**.
2. Open based on **INCOME**. Check one of the boxes below:
 - The district will open cases starting from the lowest income to the highest income.

The district must close federal priorities last. If the district identified local priorities, they must be closed next to last. **After the federal and local priorities**, describe the basis upon which the district will close cases if sufficient funds are not available.

If no priorities are established beyond the federally mandated priorities and all funds are committed, case closings for families that are not eligible under a child care guarantee and are not under a federally mandated priority must be based on the length of time they have received services (must choose #1 below).

Check only **one** of the options for closing listed below and describe the process for closing.

Fraud and Abuse Control Activities and Inspections (Required)

I. Fraud and Abuse Control Activities

1. Describe below the criteria the district will use to determine which child care subsidy applications suggest a higher than acceptable risk for fraudulent or erroneous child care subsidy payments in addition to procedures for referring such applications to the district's front-end detection system.

The following case circumstances have proved to be possible indications of fraud and are used as a basis for referral to FEDS:

- Income documentation questionable, i.e. income is significantly less than what is customary for the occupation, such as house-cleaners who earn \$25, limousine drivers or hairdressers who never get tips, or employees in the same job for years and never receive a raise
 - Self-employment
 - Off the books employment
 - Case information inconsistent with prior record
 - Household composition questionable, i.e. absent parent suspected of being in the home
 - Residence questionable, and
 - Unavailability of second parent to provide child care is questionable
2. Describe the sampling methodology used to determine which cases will require verification of an applicant's or recipient's continued need for child care, including, as applicable, verification of participation in employment, education, or other required activities.

NTA Child Care Cases including Transitional Day Care (TDC) Cases:

NTA child care cases including TDC cases are subject to full recertifications at 12 month intervals. Full recertifications will be performed on 100% of the cases at the 12 month interval.

During 2015, SCDSS began requiring that 20 child care cases at the mid-point mark be reviewed each month for programmatic and financial eligibility. These randomly selected cases are in addition to those cases due for their annual recertification in the given month.

TA Child Care Cases:

TA child care cases will be recertified at 12 month intervals. Verification of planned enrollment in required activities is required prior to child care service authorization.

Verification of attendance in required activities is done on all TA child care cases prior to payment authorization.

3. Describe the sampling methodology used to determine which providers of subsidized child care services will be reviewed for the purpose of comparing the child care provider's attendance forms for children receiving subsidized child care services with any Child and

Adult Care Food Program inspection forms to verify that child care was actually provided on the days listed on the attendance forms.

The Child Care Council of Suffolk's Child/Adult Care Food Program (CACFP) conducts inspections of home based child care providers who are enrolled in CACFP. During the inspection process, monitors determine if the children in care are receiving child care subsidy. A notation is made on the on-site inspection report indicating which children receive child care subsidy. These reports are made available to Suffolk County Department of Social Services.

There are currently 320 child care providers in Suffolk County participating in the CACFP. Each quarter, the Suffolk County Department of Social Services will randomly sample 5% of the provider's attendance sheets and match them against the meal counts reported to the Child Care Council of Suffolk. DSS will not review a provider's meal count more than once per year, unless there have been irregularities in their reporting.

II. Inspections of Child Care Provider Records and Premises

The district may choose to make announced or unannounced inspections of the records and premises of any provider/program that provides child care for subsidized children for the purpose of determining whether the child care provider is in compliance with applicable laws and regulations and any additional requirements imposed on such a provider by the social services district per 18 NYCRR §415.4(h)(3).

The district has the right to make inspections *prior to subsidized children receiving care* of any child care provider, including care in a home, to determine whether the child care provider is in compliance with applicable laws and regulations and any additional requirements imposed on such a provider by the district.

The district must report violations of regulations as follows:

- Violations by a licensed or registered child care provider must be reported to the applicable Office of Children and Families (OCFS) Regional Office.
- Violations by an enrolled or enrolling legally-exempt child care provider must be reported to the applicable Enrollment Agency.

III. Waivers

1. Districts have the authority to request a waiver of any regulatory provision that is non-statutory. Describe and justify why your district is requesting a waiver.

For EHS-CC Partnership Program participating families only and for the specific child(ren) in this program:

Family co-pay

Waive 18 NYCRR § 415.3(e) which requires that each family receiving child care services, with the exception of a family on temporary assistance, pay a family share based on income. This waiver pertains only to families in receipt of child care in lieu of Temporary Assistance, and only for the child(ren) participating in an Early Head Start Child Care

SUFFOLK COUNTY – 2017 APU

Partnership program. This waiver would NOT apply to households that move out of Suffolk County.

Flexibility in eligibility periods

Waive 18 NYCRR § 404.1(d) which requires that redetermination be made not less than every 12 months. This waiver will allow districts to match child care eligibility periods to the Early Head Start Child Care Partnership program period regardless of disruptions in the parent's eligibility. This waiver only applies to the child(ren) participating in an Early Head Start-Child Care Partnerships. This waiver would NOT apply to households that move out of Suffolk County.

Flexibility in reporting changes in family circumstances

Waive 18 NYCRR § 415.3(b) which requires that applicants are responsible for providing accurate, complete and current information regarding family income and composition, child care arrangements and any other circumstances related to the family's eligibility for child care services, and for notifying the social services district immediately of any changes in such information.

The waiver would relax the income documentation/verification requirements and revise the redetermination process to relax/eliminate the need for parents to report even small changes in their circumstances that lead to a loss of eligibility for child care. This waiver would pertain only if the parent only has a child participating in an Early Head Start Child Care Partnership program.

This waiver would NOT apply to households that move out of Suffolk County. The household MUST immediately inform Suffolk County Department of Social Services when it moves out of Suffolk County.

The purpose of the above waivers is to encourage participation in the new Early Head Start Child Care Partnerships by allowing flexibility in areas that will promote continuity of service to children.
