**APPENDIX M**

**Reasonable Distance, Very Low Income, Family Share, Case Closing and Openings, Recertification Period, Fraud and Abuse Control Activities, Inspections (Required)**

---

**Reasonable Distance**

Define “reasonable distance” based on community standards for determining accessible child care.

The following defines “reasonable distance”: Reasonable distance is child care available within a fifteen-mile radius of the parent's workplace.

Describe any steps/consultations made to arrive at your definition: Sullivan County explores the issues of child care at initial assessment. A contract with the Center for Workforce Development exists to implement the County's employment services. Sullivan is a primarily rural county, necessitating flexibility regarding "reasonable distance."

**Very Low Income**

Define “very low income” as it is used in determining priorities for child care benefits.

“Very Low Income” is defined as 100% of the State Income Standard.

**Family Share**

“Family share” is the weekly amount paid towards the costs of the child care services by the child’s parent or caretaker. In establishing family share, your district must select a percentage from 10% to 35% to use in calculating the family share. The weekly family share of child care costs is calculated by applying the family share percentage against the amount of the family’s annual gross income that is in excess of the State Income Standard divided by 52.

Family Share Percentage selected by the county 35%.

**Note:** The percentage selected here must match the percentage selected in Title XX Program Matrix in WMS.

**Case Closings**

The district must describe below how priority is given to federally mandated priorities and describe local priorities. If all NYSCCBG funds are committed, the district will discontinue funding to those families that have lower priorities in order to serve families with higher priorities. Describe below how districts will select cases to be closed in the event that there are insufficient or no funds available.

1. Identification of local priorities in addition to the required federal priorities (select one).

- The district has identified local priorities in addition to the required federal priorities (Complete Section 2)
- The district has not identified local priorities in addition to the required federal priorities (Complete Section 3).

**SULLIVAN COUNTY – 2016 APU**

2. Describe how priority is given to federally mandated priorities and describe local priorities. Very low income  Rank 1  Rank 2

Families that have a child with special needs  Rank 1  Rank 2

**SULLIVAN COUNTY – 2016 APU**

3. If all NYSCCBG funds are committed, case closings for families that are not eligible under a child care guarantee and are not a federally mandated priority must be based on the length of time in receipt of services. The length of time used to close cases may be based either on the shortest or longest time the family has received child care services, but must be consistent for all families.
- a. Identify how the district will prioritize federal priorities. Cases that are ranked 1 will be closed last.
- Very low income     Rank 1     Rank 2
- Families that have a child with special needs     Rank 1     Rank 2

**Fraud and Abuse Control Activities**

**Describe below the criteria the district will use to determine which child care subsidy applications suggest a higher than acceptable risk for fraudulent or erroneous child care subsidy payment in addition to procedures for referring such applications to the district’s front-end detection system.**

The CCC's Eligibility Specialist (ES) meets face to face with subsidy applicants. All original documents submitted for the application are verified unless otherwise directed by the County. Referrals are made to the Special Investigations unit by the Child Care unit, the DFS fiscal office, Employment and TA/MA/FS workers.

**Describe the sampling methodology used to determine which cases will require verification of an applicant’s or recipient’s continued need for child care, including, as applicable, verification of participation in employment, education, or other required activities.**

Sullivan County conducts child care certifications every six months of all subsidy recipients. The recipient is required to provide verification of the need for continued child care services including, but not limited to, wage stubs, school verification and medical documents.

**Describe the sampling methodology used to determine which providers of subsidized child care services will be reviewed for the purpose of comparing the child care provider’s attendance forms for children receiving subsidized child care services with any Child and Adult Care Food Program inspection forms to verify that child care was actually provided on the days listed on the attendance forms.**

Due to the small size of the County and the ES's familiarity with the child care providers and the families, the CACFP Coordinator, Registrar and Subsidy Specialist, who are all located in the same office, regularly confer if any information regarding the providers conflicts with their records. The providers' status is also discussed at monthly staff meetings. Legally exempt providers who are enrolled in CACFP are required to provide a schedule of when the children attend and what meals are being provided. The Child Care Council does an unannounced visit with the provider three times per year. The provider must provide verification of the meals served and the children's attendance.

**SULLIVAN COUNTY – 2016 APU**

**Inspections of Child Care Provider Records and Premises**

Does the district choose to make inspections of such child care providers/programs?

**SULLIVAN COUNTY – 2016 APU****APPENDIX Q #1****ADDITIONAL LOCAL STANDARDS FOR CHILD CARE PROVIDERS (OPTIONAL)**

---

The district may propose local standards in addition to the State standards for legally-exempt providers who will receive child care subsidies. This appendix must be completed for **each** additional standard that the district wishes to implement.

1. Check or describe in the space provided below the additional local standards that will be required of child care providers/programs.
  - Verification that the provider has given the parent/caretaker complete and accurate information regarding any report of child abuse or maltreatment in which they are named as an indicated subject
  - Local criminal background check
  - Requirement that providers that care for subsidized children for 30 or more hours a week participate in the Child and Adult Food Care Program (CACFP)
  - Site visits by the local district
  - Other (please describe):
  
2. Check below the type of child care program to which the additional standard will apply and indicate the roles of the persons to whom it will apply in cases where the standard is person-specific.
  - Legally-exempt family child care program. Check all that apply.
    - Provider     Provider's Employee     Provider's Volunteer
    - Provider's household member age 18 or older
  - Legally-exempt in-home child care program. Check all that apply.
    - Provider     Provider's Employee     Provider's Volunteer
  - Legally-exempt group providers not operating under the auspices of another government agency. Check all that apply.
    - Provider     Provider's Employee     Provider's Volunteer
  - Legally-exempt group providers operating under the auspices of another government or tribal agency. Check all that apply.
    - Provider     Provider's Employee     Provider's Volunteer
  
3. Districts are responsible for implementation of the additional local standard unless they have a formal agreement or contract with another organization. Check the organization that will be responsible for the implementation of the additional local standard.
  - Local social services staff
    - Provide the name of the unit and contact person:
  - Contracted agency

**SULLIVAN COUNTY – 2016 APU**

Provide the name of the agency and contact person:

Sullivan County Child Care Coordinating Council/Donna Willi, Executive Director

- Both the district and the district sub-contractor understand and agree that, when the district sub-contractor is the Legally-Exempt Enrollment Agency providing services under contract to the State, there can be no co-mingling of services or resources. District staff do not have the same security in the Child Care Facility System (CCFS) as legally-exempt enrollment staff. Specifically relevant to this additional standard, district staff are not given data entry rights in CCFS for recording inspections. Therefore, the district sub-contractor must NOT record the site visits/inspections it performs on behalf of the local district and this additional standard in CCFS. Each agency, enrollment agency, and local district is given access in CCFS on a need to know basis and both the district and the enrollment agency are responsible for adhering to this provision.
- The district has shared a copy of this proposed additional standard with the local district sub-contractor.
- Upon approval, the district will provide a copy of the approved additional local standard to the local district sub-contractor.

4. Are there any costs associated with the additional standard?

Yes     No

**Note:** Costs associated with the additional standard cannot be passed on to the provider.

5. Describe the steps for evaluating whether the additional local standard has been met.

The local social services district (LDSS) sub-contractor will conduct a site visit to 50% of legally exempt in-home child care providers on an annual basis in order to verify the provision of care and to verify that the information provided in the enrollment package is true.

Programs to be visited will be chosen in one of two ways or a combination of the two. The LDSS sub-contractor will review the timesheets submitted to the district or its sub-contractor and will inspect any that create a red flag, for example, claiming full day childcare for school aged children when school is in session; and/or

The LDSS sub-contractor will run the LDSS additional standard referral report for monthly numbers and choose every 2nd legally-exempt in-home provider, for example, if the number is ten LE in-home providers, five will be chosen.

The LDSS sub-contractor will verify that the standards attested to in the enrollment package are being met. If the site visit reveals a discrepancy, the LDSS subcontractor will refer the provider to the enrollment agent for a complaint investigation.

The additional standard is met when the provider cooperates with the site visit and the verification process. The additional standard is not met when the provider does not

**SULLIVAN COUNTY – 2016 APU**

cooperate. The additional standard is determined to be “not applicable” when the in-home provider is not selected for the site visit.

Attempted inspections do not satisfy this site visit requirement unless the visit results in a determination that the address given for the site of care does not exist and the provider enrollment was terminated, OR the inspection was attempted but the provider refused the agency access to the residence and as a result the provider enrollment was terminated.

6. Indicate how frequently reviews of the additional standard will be conducted. Check all that apply.

| <input type="checkbox"/> Re-enrollment      | <input checked="" type="checkbox"/> Other: Each subsequent year re-enrolled. |

The results of the reviews of the additional standard will be submitted by the district sub-contractor quarterly to the local district. CCFS does not currently support tracking of local district inspection results. These inspections will not be tracked in CCFS.

7. In the space below, described the procedures the district will use to notify the Legally-Exempt Caregiver Enrollment Agency (EA) as to whether the legally-exempt provider is in compliance with the additional local standards. Districts must notify the EA within 25 days from the date they received the referral from the EA. (Districts need to describe this procedure only if the additional local standard is applied to legally-exempt child care providers.)

For all LE in-home providers on the referral list, the local district sub-contractor will notify the enrollment agent, in writing, of the determination of the additional standard and any concerns noted during inspection. For each LE in-home provider referred, the determination for the additional standard will state whether the additional standard was “met,” “not met” or “not applicable.” This notification and a copy of the inspection report will be given to the LE Coordinator so that she/he may take any necessary action.

8. Describe the justification for the additional standard in the space below.

Since the implementation of CCTA and the upgrades to the legally exempt side of CCFS the need for more oversight to the legally exempt child care program has become apparent.

**Additional Local Standards for Child Care Providers (Optional)**

The district may propose local standards in addition to the State standards for legally-exempt providers who will receive child care subsidies. This appendix must be completed for **each** additional standard that the district wishes to implement.

1. Check or describe in the space provided below the additional local standards that will be required of child care providers/programs.

- Verification that the provider has given the parent/caretaker complete and accurate information regarding any report of child abuse or maltreatment in which they are named as an indicated subject
- Local criminal background check
- Requirement that providers that care for subsidized children for 30 or more hours a week participate in the Child and Adult Food Care Program (CACFP)

Provide the name of the unit and contact person:

Provide the name of the agency and contact person:

4. Are there any costs associated with the additional standard?

Yes     No

**Note:** Costs associated with the additional standard cannot be passed on to the provider.

5. Describe the steps for evaluating whether the additional local standard has been met.

A. A legally-exempt family child care provider who offers care for more than 30 hours per week is required to participate in the Child and Adult Care Feeding Program (CACFP) as a condition of enrollment to provide child care subsidized by the Sullivan County Department of Family Services (DFS). All legally-exempt family child care providers will be required to sign the Sullivan County Legally Exempt Family Child Care Additional Standard Acknowledgement Agreement form (to be created) to initiate the enrollment process. The enrollment packet for any provider of legally-exempt family child care will be considered “incomplete” if the Sullivan County Legally Exempt Family Child Care Additional Standard Acknowledgement Agreement form is not signed and submitted with the enrollment packet.

The Sullivan County DFS will consider a legally-exempt family child care provider to be “compliant” and meeting the Sullivan County additional local enrollment standard of participation in CACFP when:

1. The legally-exempt family child care provider who offers care for more than 30 hours per week has completed, signed, dated and submitted the Sullivan County Legally Exempt Family Child Care Additional Standard Acknowledgement Agreement form as a part of the “Enrollment Form for Provider of Legally-Exempt Family Child Care” (OCFS-LDSS- 4699) to the EA, which is the Sullivan County Child Care Council, Inc. (SCCCC); and
2. The legally exempt family child care provider who offers care for more than 30 hours per week has enrolled with the CACFP program including signing the CACFP Pre-Approval checklist (CACFP-106) and the Continuous Application and Agreement for Day Care Homes Participation (DOH-3705) and has completed the follow-up visit with CACFP, all within the CACFP required time frames; and
3. The legally-exempt family child care provider who offers care for more than 30 hours per week fully cooperates with all requirements of CACFP, including inspections and/or follow-up visits; and

**SULLIVAN COUNTY – 2016 APU**

4. The legally-exempt family child care provider who offers care for more than 30 hours per week begins claiming CACFP reimbursement no later than the month following the sign-up date and continues to submit monthly claims to CACFP on a timely basis.
- B. The Sullivan County Child Care Council, Inc. will consider the legally-exempt family child care provider “non-compliant” and NOT meeting the Sullivan County additional local enrollment standard for participation in CACFP when:
1. The legally-exempt family child care provider does not submit a completed Sullivan County Legally-Exempt Family Child Care Additional Standard Acknowledgement Agreement form; and/or
  2. The legally-exempt family child care provider who offers care for more than 30 hours per week refuses to sign up for CACFP; and/or
  3. The legally-exempt family child care provider who offers care for more than 30 hours per week does not cooperate with any part of the CACFP enrollment process; and/or
  4. The legally-exempt family child care provider who offers care for more than 30 hours per week does not remain in compliance with the CACFP regulations; and/or
  5. The legally-exempt family child care provider who offers care for more than 30 hours per week fails to cooperate with any CACFP inspection or home visit; and/or
  6. The legally-exempt family child care provider who offers care for more than 30 hours per week fails to submit monthly claims to CACFP on a timely basis; and/or
  7. The legally-exempt family child care provider, which was not initially required to participate in CACFP due to providing child care for less than 30 hours per week, fails to notify the EA of an increase in hours of care which would require the legally-exempt family child care provider to comply with the additional standard; and/or
  8. The legally-exempt family child care provider which changes location of care and provides care for more than 30 hours per week fails to notify the Sullivan County DFS, the EA and CACFP of the change.

Any legally-exempt family child care provider who offers care for more than 30 hours per week which does not participate with the Sullivan County additional local standard for enrollment described above is non-compliant and considered to be ineligible to provide subsidized child care to Sullivan County DFS. No subsidy payments will be issued for care provided by such providers who are non-compliant with the requirement to participate in CACFP.

The provider is noncompliant with the additional standard for participation with CACFP when the provider has signed the legally-exempt family child care additional standard agreement and the provider fails to participate fully with CACFP. When the provider is non-compliant the additional standard is not met and the provider will

**SULLIVAN COUNTY – 2016 APU**

not be eligible for payment for child care services provided retro-active to the first date child care services were provided.

6. Indicate how frequently reviews of the additional standard will be conducted. Check all that apply.

Legally-Exempt Programs:

- Initial enrollment                       During the 12-month enrollment period  
 Re-enrollment                               Other

7. In the space below, described the procedures the district will use to notify the Legally-Exempt Caregiver Enrollment Agency (EA) as to whether the legally-exempt provider is in compliance with the additional local standards. Districts must notify the EA within 25 days from the date they received the referral from the EA. (Districts need to describe this procedure only if the additional local standard is applied to legally-exempt child care providers.)

The Sullivan County Child Care Council, Inc. is the EA and as such is responsible for the legally exempt enrollment services and administering the CACFP. The District will require the EA to submit quarterly reports of compliance and non-compliance with the additional local standard.

- A. Once the EA fully enrolls a provider who is required to participate in CACFP due to offering care for more than 30 hours per week, the EA will notify CACFP by providing them with the completed CACFP Additional Standard Tracking form (to be created).
- B. Within approximately 45 business days of notification CACFP will notify the EA whether the legally-exempt family child care provider is or is not “actively participating” in CACFP via the CACFP Additional Standard Tracking form.
- C. Information from the Additional Standard Tracking forms will be summarized by the Sullivan County Child Care Council, Inc. and submitted to the District for review and approval on a quarterly basis.

8. Describe the justification for the additional standard in the space below.

Implementation of the additional standard will occur at re-enrollment of existing enrolled providers and with all new enrollments. The additional standard will aid in improving the health and nutrition of children cared for by Legally Exempt Family Child Care Providers receiving subsidy payments within the district. Implementation of the additional standard will also create an opportunity to better monitor legally exempt family child care homes for verification of care as well as quality of care.

**APPENDIX T**

**Transportation, Differential Payment Rates, Enhanced Market Rate for Legally-Exempt and In-Home Providers, and Sleep (Optional)**

---

**Transportation**

Describe any circumstances and limitations your county will use to reimburse for transportation. Include what type of transportation will be reimbursed (public vs. private) and how much your county will pay (per mile or trip). Note that if the county is paying for transportation, the Program Matrix in WMS should reflect this choice.

**Differential Payment Rates**

Indicate the percentage above the market rate your county has chosen.

- Accredited programs may receive a differential payment up to \_\_\_\_\_ % above market rate.
- Care during non-traditional hours may be paid up to \_\_\_\_\_ % above market rate.
- Limitations to the above differentials:

Payments may not exceed 15% above market rate. However, if your district wishes to establish a payment rate that is more than 15% above the applicable market rate, describe below why the 15% maximum is insufficient to provide access within the district to accredited programs and/or care provided during non-traditional hours.

**Enhanced Market Rate for Legally-Exempt Family and In-Home Child Care Providers**

Indicate if the district is electing to establish a payment rate that is in excess of the enhanced market rate for legally-exempt family and in-home child care providers who have annually completed 10 or more hours of training and the training has been verified by the legally-exempt caregiver enrollment agency.

- No.
- Yes. Our market rate will not exceed 75% of the child care market rate established for registered family day care.

**Sleep**

The following describes the standards that will be used in evaluating whether or not to pay for child care services while a parent or caretaker that works a second or third shift sleeps, as well as any limitations pertaining to payment:

Indicate the number of hours allowed by your district (maximum number of hours allowed is eight).

Sullivan County will pay for up to 5 hours of sleep if a parent/caretaker works the second or third shift. The parent/caretaker would have to inform the County of the details of who is providing the child care and where it is provided. A case-by-case decision would be made based on all information such as: are there two parents/caretakers in the home to split the child care duties, are the children in school, what shifts do the parents/caretakers each work, is the caretaker a single parent, etc. If a single parent/caretaker is working the second shift, we would allow the child care provider to keep the child so that the single parent/caretaker could have some sleep time.

**APPENDIX U**

**Child Care Exceeding 24 Hours, Child Care Services Unit, Waivers,  
and Breaks in Activities (Optional)**

---

**Child Care Exceeding 24 Hours**

Child Care services may exceed 24 consecutive hours when such services are provided on a short-term emergency basis or in other situations where the caretaker’s approved activity necessitates care for 24 hours on a limited basis. Check below under what circumstances the county will pay for child care exceeding 24 hours.

- On a short-term or emergency basis
- The caretaker’s approved activity necessitates care for 24 hours on a limited basis

Describe any limitations for payment of child care services that exceed 24 consecutive hours.

**Child Care Services Unit (CCSU)**

Indicate below if your county will include 18-, 19-, or 20-year-olds in the CCSU, which is used in determining family size and countable family income.

The district will include the following in the CCSU (check all that apply).

- 18-year-olds
- 19-year-olds
- 20-year-olds

**OR**

The district will only include the following in the CCSU when it will benefit the family (check all that apply)

- 18-year-olds
- 19-year-olds
- 20-year-olds

Describe the criteria your district will use to determine whether or not 18-, 19-, or 20-year olds are included in the CCSU.

**Waivers**

Districts have the authority to request a waiver of any regulatory provision that is non-statutory. Describe and justify why your county is requesting a waiver.

**Breaks in Activities**

Districts may pay for child care services for low income families during breaks in activities either for a period not to exceed two weeks or for a period not to exceed four weeks when child care arrangements would otherwise be lost and the subsequent activity is expected to begin within that period. Indicate below if your county will make such payments (check one).

- Two weeks
- Four weeks

Districts may provide child care services while the caretaker is waiting to enter an approved activity or employment or on a break between approved activities. The following low income families are eligible for child care services during a break in activities (check any that are eligible):

**SULLIVAN COUNTY – 2016 APU**

- Entering an activity
- Waiting for employment
- On a break between activities
